

KLASSMARK REGULATIONS

- ✓ These regulations explain the conditions of participation in the Klassmark events and their characteristics.
- ✓ Participating in an event organized by Klassmark implies acceptance of all environmental and sustainable measures to curb the climate emergency.
- ✓ All the technical aspects can be found in the technical data sheets on the official website of the event.
- ✓ These regulations may be corrected, modified or improved at any time by the organization, as well as the timetables, routes and technical data sheets for each of the events.
- ✓ The registration implies the acceptance and authorization of the cancellation and modification policy of the registration and the event.
- ✓ Completion of the registration implies acceptance of having previously been informed of the route and the technical data sheets.
- ✓ The registration implies the acceptance of the official gift and all the services.
- ✓ The completion of the registration implies full acceptance of these rules.

1. NO NATURE NO FUTURE

- 1.1** The tests take place in fragile and sensitive natural environments. It is our duty not to leave any traces behind us.
- 1.2** The events take place in unique natural environments. Participants must conserve and preserve the environment and comply with the regulations in force in each area.
- 1.3** Participants must respect the fauna and flora. Preference will be given to herds of animals encountered during the course.
- 1.4** The events take place in natural and livestock environments. Preference will be given to herds of animals found along the route.
- 1.5** The events take place in natural and agricultural environments, preference will be given to their farmers.
- 1.6** Events take place in natural environments, the vast majority with property, preference will be given to owners.
- 1.7** Each participant must act responsibly and behave in an exemplary manner in the face of any adversity.
- 1.8** Participants may not go outside the limits of the marked trails.
- 1.9** Participants must respect the rows, gates and all types of fences related to the safety of livestock or private farms.

- 1.10 The disposal by a participant of wrappers of sticks, energy gels or any residue, including fruit peels, means immediate expulsion.
- 1.11 It is strictly mandatory to recycle properly in all refuelling areas.
- 1.12 Any disrespectful action towards the environment, fauna or flora will result in automatic expulsion forever. **Caution: zero tolerance!**

2. RUNNERS FOR RUNNERS

- 2.1 Participants must prioritize ethics, companionship and respect for the environment rather than the event.
- 2.2 In case a participant, a third person or any animal is in danger, it is obligatory to help.
- 2.3 The participants of the event must alert the nearest checkpoint or refreshment point of any kind of incident.
- 2.4 If the participants who have provided assistance have lost a lot of time, the event director will assess the situation and take the appropriate decisions.
- 2.5 In case of emergency, participants must call one of the two telephone numbers listed on the bib. These are emergency telephone numbers only.
- 2.6 In the case of needing help from the organization and/or the rescue teams, they may be late in finding you or arriving in extreme weather conditions, difficult access and/or lack of visibility, especially if they are outside of the marked route.
- 2.7 There are areas of the route without mobile coverage, and because of this there is a risk of not being able to request help when you need it.
- 2.8 In case of emergency, in areas with no coverage, runners must call and activate 112.

3. CLIMATE EMERGENCY

- 3.1 Participants should be aware that climate change in which we live makes weather forecasts difficult and we need to be aware of whether the organization decides to cancel the event at the last minute.
- 3.2 The fight against global warming is our priority, for this reason we will avoid giving or gifting participants with any packaging, product or material derived from fossil fuels.
- 3.3 For this reason:
 - 3.3.1 You will not give any disposable packaging. (You will be able to buy a reusable kit)
 - 3.3.2 No participant's bag will be given. (We will give you the bib, safety pin and official gift in hand)
 - 3.3.3 No sugary drinks from polluting companies will be given. (Everything given is organic and 100% natural in proximity)

4. REGISTRATION

- 4.1 Once the BIB number has been purchased, it is not transferable from one year to the other and we don't make changes.
- 4.2 Once the payment has been formalized, the amount will not refund.
- 4.3 You can change your name and distance through your registration with the locator and e-mail, you will need to go to the website in the registrations section (home - my registration).

- 4.4 One week before the event you will not be able to make name or distance changes. In case of justified reason, you can request a change of name or distance of the participant. An e-mail must be sent (info@klassmark.com).
- 4.5 The place is not definitively assigned to the participant until the payment is not effective.
- 4.6 The organization reserves the right to cancel the event until before the start if the physical integrity of the participants is in danger due to weather conditions or external factors.
- 4.7 The organization is not responsible for extra expenses related to registration such as accommodation or travel in case of cancellation of the event.
- 4.8 If the situation requires it, the organization may make the following modifications:
 - a) Modify the routes
 - b) Activate alternative routes
 - c) Modify departure times
- 4.9 Registrations will be closed once the limit of participants or the announced deadline has been exceeded.
- 4.10 In case of last-minute registration (one week before the start of the event), the size of the gift requested is not guaranteed.
- 4.11 The organization reserves the right to modify the number of participants.
- 4.12 The organization is not responsible for contractual relations between participants and external services.

5. CONDITIONS OF PARTICIPATION

- 5.1 All participants must be of legal age on the day of the event, otherwise, it is mandatory to present the "authorization of minors" that you will find in the documents section. In case the minor is under 16 years old, he or she must be accompanied throughout the event.
- 5.2 Participants take part in the event voluntarily and under their own responsibility. For this reason, the entity and the organizing company, the municipality, the collaborators and workers, the sponsors and the other participants are released from any civil liability.
- 5.3 The participants automatically by registering accept the "disclaimer and certificate of fitness" and the "responsible declaration of health regarding the Covid-19" which informs of the risks involved in participation and excludes the organization from liability in case of any incident, accident or contagion arising from the participation.
- 5.4 The participant, when registering, accepts all the points of these rules. Failure to comply with any of them will result in automatic expulsion.

6. DEVELOPMENT

- 6.1 The course is open to other users, bicycles, vehicles, tractors, etc. Participants must follow the current rules of the road and ride with caution at all times.
- 6.2 In case of breakdown or any incident, on the nameplate there are telephone numbers to contact the organization.
- 6.3 Once the maximum time to finish the course has been exceeded, all the services of the event will be deactivated.
- 6.4 The participants only can have external assistance on the feed zones.

7. WITHDRAWALS

- 7.1 Participants who decide to abandon will have to withdraw at one of the checkpoints or refreshment points. Only a serious injury will justify the participant to abandon at another point of the course.
- 7.2 The organization only undertakes to return participants to the starting point of the event when they have abandoned at a checkpoint or refreshment point with motorized access.
- 7.3 The organization reserves the right to return participants to the starting point once they have finished the event, to ensure the optimal development of the event.
- 7.4 Participants who decide to abandon the event will have to communicate it to the organization.

8. TRACK AND MARKING

- 8.1 It is mandatory to follow at all times the course marked with tapes or, depending on the event, with your GPS.
- 8.2 If for any reason you leave the course at any time, it is mandatory to rejoin at the exact point where you left.

9. EQUIPMENT AND CLOTHING

- 9.1 It is the responsibility of each participant to carry the appropriate material to face the event.
- 9.2 Participants have the duty to wear the correct equipment according to the technical conditions of the event and the weather conditions.
- 9.3 The organization reserves the right to prevent the start or stop any participant who does not have the necessary equipment.
- 9.4 The organization recommends that all participants, during the development of the event, have food and drink. It is also recommended the use of sunscreen if the conditions of exposure require it.
- 9.5 The organization is not responsible for any lost or forgotten object during the event.

10. FORMAT AND CATEGORIES

- 10.1 The format and categories awarded will depend on each distance. You can consult the information in the data sheets.
- 10.2 If a category has less than five participants it will be cancelled.
- 10.3 The age of the participant on 31 December of the current year will be taken into account.
- 10.4 Prizes are cumulative.
- 10.5 It will be essential to be present at the awards ceremony to receive the trophy, medal or gift.
- 10.6 Team event development:
 - 10.6.1 Team event participants must complete the circuit with their partner or team, crossing the checkpoints and the finish line together. Otherwise, the team will be disqualified and out of the event.
 - 10.6.2 If one of the team members leaves, and the other continues, in no case will they be classified as individual.
 - 10.6.3 The event director can apply sanctions that they deem appropriate after evaluating each of the situations.

11. PENALTIES AND DISQUALIFICATIONS

- 11.1** The organization may disqualify all participants who do not comply with the rules during the course of the event.
- 11.2** The penalties will be agreed by the organization. The event director will impose the corresponding penalty according to the seriousness of the facts.
- 11.3** The organization will expel any participant who shows or has a violent behaviour against another runner, official or public.
- 11.4** The organization will expel any participant who does not pass through all the checkpoints and refreshment posts.
- 11.5** The organization will expel any participant with a disrespectful attitude towards the environment, fauna or flora.
- 11.6** The event director reserves the right to assess each action individually and modify the parameters set out above.

12. BIB PICK-UP

- 12.1** To collect the event bib it will be essential that the participant identifies himself/herself. Therefore, it will be mandatory to present an identification document (ID card, driving license or passport), the federation card in case of being federated and the 'disclaimer and certificate of physical fitness' and the 'responsible statement of health regarding the Covid-19' signed.
- 12.2** To pick up the bib of a third person, it will be necessary to deliver the 'disclaimer and fitness certificate' and the 'responsible declaration of health regarding the Covid-19' signed by the person concerned, as well as a photocopy of the ID card and the federation card in case of being federated.
- 12.3** The participant has the duty to know what are the conditions of coverage of his insurance or federative entity.
- 12.4** The resale of registration fees and the consequent participation with the bib of another person may have penalties for both seller and buyer; and the possibility of taking action against both.

13. DATA PROTECTION

- 13.1** In accordance with the Organic Law 15/1999 of December 13, all participant data will be included in a private file owned by the organizers, for the sole purpose of managing the event.

14. IMAGE RIGHTS

- 14.1** All participants waive their image rights during the event.
- 14.2** The organization may use the images of the event for reasons of self-interest.
- 14.3** The right to one's own image is a right recognized in Article 18.1 of the Constitution and regulated by Law 5/1982 of May 5 on the right to honour, personal and family privacy and self-image, as well as in the application of Law 15/1999 on the Protection of Personal Data of December 13, 1999.

- 14.4** The acceptance of these rules implies that the participant authorizes KLASSMARK to take photographs and filming of their participation and gives consent for the dissemination and commercial and advertising exploitation of all images taken during the event without being entitled to receive any financial compensation. In no case will they be used for purposes other than those indicated.

15. DISCHARGE OF RESPONSIBILITIES AND FITNESS CERTIFICATE

- 15.1** That I have read and accept the regulations in full.
- 15.2** That I am sure that I am physically and psychologically well prepared for the event because I have followed the appropriate medical controls to ensure that I am in good health and that I do not suffer from any disease, allergy, physical defect, injury or cardiorespiratory condition that would discourage my participation.
- 15.3** That I am fully aware of the difficulty, route, profile and distance of the event because I have previously consulted it on the website.
- 15.4** That I am aware that this type of event involves a risk for the participants. For this reason I attend voluntarily and under my own responsibility, assuming all the risks and consequences arising from the same participation. Therefore, I exonerate the organization, collaborators, sponsors and other participants from any responsibility for any physical or material damage that may occur to me; therefore, I waive any claim or lawsuit against those announced.
- 15.5** That I have sufficient knowledge and technical skills to ensure my own safety, taking into account the natural environment and the conditions of autonomy of the event.
- 15.6** That I have the sports and safety equipment required for the event. I guarantee that the equipment is in good condition, that I have the knowledge to use it properly and that I will carry it with me throughout the event.
- 15.7** That I undertake to comply with the rules and safety protocols established by the organization, as well as maintain a responsible behaviour that does not increase the risks to my physical or mental integrity. I will follow the instructions and abide by the decisions taken by those responsible for the organization (judges, doctors and organizers).
- 15.8** That I authorize the medical services of the event to perform any treatment or action they deem appropriate at any time during the event. I agree to abandon the event and allow my hospitalization, if they deem it necessary for my health.
- 15.9** That I authorize the organization of the event to take and use any photographs, filming or recording to be made, provided they are exclusively related to my participation in this event, and not to receive any consideration in return.
- 15.10** That before or during the event I will not consume prohibited substances, considered as doping by the different federations. The organization can pass anti-doping control to any participant.

- 15.11** That I am aware that my badge is personal and non-transferable, therefore I will not give or sell it to anyone. This includes the hypothesis that they may not be able to attend the event.
- 15.12** That I agree to follow the general guidelines of respect for others and the environment, as listed below:
- a) To transit with prudence and according to the road rules, on tracks, trails and roads open to traffic.
 - b) Transit, little by little, in the presence of people, animals or vehicles.
 - c) Not to cause alterations in the natural processes and functioning of ecosystems.
 - d) Not to deteriorate biotic, geological, cultural, or environmental resources in general.
 - e) Avoid or avoid environmentally sensitive areas.
 - f) Perform physiological needs in optimal places, or in any case, away from water points and away from places of passage or gathering of people.
 - g) Not to light fires or cause fire hazards.
 - h) Not to use or install any type of structure or element that leaves a permanent mark on the environment.
 - i) Not to throw or abandon objects or solid or liquid waste outside the places expressly designated for their collection.
 - j) Not to leave the marked route.
